Mr. Gary Rosenfield, President
 AeroTech, Inc.
 1955 So. Palm Street #15
 Las Vegas, NV 89104

Mr. Rosenfield:

Your application requesting classification and registration of *High Power Rocket Motors* and reload kits to determine their compliance with California State Fire Marshal Regulations has been completed with the following results:

All rockets and reload kits that have been classified and registered by the State Fire Marshal shall be properly labeled and bear a printed California State Fire Marshal seal and the registration number of the licensee as required by California Code of Regulations Title 19, Article 7.

Please note that although devices may be classified and registered, no person shall import/export into or from California or sell high power rockets or motors unless they possess a valid import/export and wholesale license issued by the State Fire Marshal.

The Following *High Power Rocket Motors* with reload kits are approved and registered by the California State Fire Marshal under the "Redline" AeroTech trade name.

<u>High Power Rocket Motor</u>	<u>Hardware Designation</u>	<u>Re-loadable Kit Designation</u>
38mm "Redline" EX-0104078	RMS-38/240	H148R
38mm "Redline" EX-0104079	RMS-38/720 (Correction from RMS-38/640)	J420R

Enclosed please find the official facsimile of the State Fire Marshal's Seal of Registration. Your registration number shall be placed in the appropriate box below the seal. Enter in caps the classification HIGH POWER ROCKET MOTOR rounded above the seal.

Reproduction of the seal, limited to the instructions on the facsimile sheet shall bear the inscriptions as noted. The Seal of Registration shall be large enough to be legible on the device and contain the registration number, as assigned by the State Fire Marshal, and classification stating the use or purpose for which such device has been registered. Please provide us with one copy of the final artwork used for labeling the motors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ben Ho', with a long horizontal flourish extending to the right.
