Mr. Gary Rosenfield, President
AeroTech, Inc.
1955 So. Palm Street #15
Las Vegas, NV 89104

Mr. Rosenfield:

Your application requesting classification and registration of single use *Model Rocket Motors* to determine their compliance with California State Fire Marshal Regulations has been completed with the following results:

All single use rockets that have been classified and registered by the State Fire Marshal shall be properly labeled and bear a printed California State Fire Marshal seal and the registration number of the license as required by California Code of Regulations Title 19, Article 7.

Please note that although devices may be classified and registered, no person shall import/export into or from California or sell high power rockets or motors unless they possess a valid import/export and wholesale license issued by the State Fire Marshal.

The following single use *Model Rocket Motors* are approved and registered by the California State Fire Marshal under the "Econojet" AeroTech trade name.
