Dear Mr. Rosenfield:

I am in receipt of your letter, dated May 5, 2004, regarding your company name and address change. Thank you for providing me with the U.S. Department of Transportation approval that authorizes RCS to use the EX-numbers previously issued to AeroTech.

I will forward this information to the Program Assistant so that she can update our records to reflect the correct information. Again, thank you for your prompt reply to my request. If you have further questions, please feel free to contact me.

Sincerely,
