Re Acquisition of Aerotech

Mr. Rosenfield,

The Explosives Regulatory Division acknowledges receipt of your letter dated April 6, 2004. You have indicated that RCS Rocket Motor Components, Utah has acquired the assets of Aerotech, Nevada.

You have requested the transfer of the list of authorized explosives from Aerotech to RCS. We accept your request. We will however expect that you advise us when you will have started the manufacture of these products at the new facilities, and we also expect that you will send to the Canadian Explosives Research Laboratory a representative sample, for a product that we will have determined, for continuing authorization.

Sincerely yours,

Jean-Luc Arpin
